

Piece By Piece Quilters – BOM – September, 2010

Each finished block measures 12 inches square. (12 ½ X 12 ½ inches unfinished)

1. Focal Fabric

Find a Fall print for the focal fabric, a coordinating color fabric (gold, green, browns, any fall color,) and black or black on black for the background.

Cutting instructions:

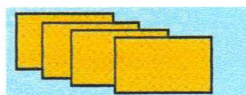

2. Coordinating

1. Cut **one** 6 1/2-inch squares from the focal fabric.

2. Cut **four** 3 1/2-inch squares from the coordinating color fabric.

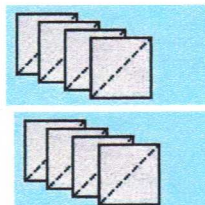

3. Coordinating

3. Also from coordinating color fabric, cut **four** 3 1/2 x 6 1/2-inch squares.

4. From the black material, cut **eight** 3 1/2-inch squares.

4. Black

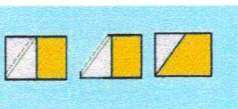

Piecing instructions:

5. For the side sections, draw a line from corner to corner on the back of each of the black squares. Lay one of the squares along one end of one color rectangle right sides together. Sew along the drawn line. Referring to graphic 5, cut the corner 1/4 inch from the sewn line. Press open to the coordinating color fabric.

6. Lay another of the black squares along the opposite end of the color rectangle. Sew along the drawn line. Referring to graphic 6, cut the corner 1/4 inch from the sewn line. Press open to the coordinating color fabric. This is called a “flying geese” unit.

Assembly instructions:

Using graphic 7 as a reference, assemble the sections into rows, then assemble rows into a finished block. Remember to pin at each intersection to ensure corners match.

Your completed unfinished block will measure 12 ½ inches.

12 inches after sewn into a quilt!
