Directions:

- 1) Sew patches A-C together as shown. The block should measure 13"x13".
- 2) Fold the block in half both ways and lightly crease the folds.
- 3) Prepare patches D and E for fusible applique.
- 4) Use the creases and **applique placement** diagram as guides to arrange the patches; fuse in place.
- 5) Refer to the **trimming diagram** to trim the block into four 6 ½" x 6 ½" quadrants. Rotate 2 of the quadrants as shown (Diagram B).
- 6) Sew the quadrants together to complete the block using the .
- 7) Straight or buttonhole stitch the circles to permanently secure to the block.
