Assembly:

1. Snowball 2 brown squares at the top of the 2 center medium orange strips, placing in opposite directions so it will form a V when sewn together. See photo above. Press and trim the snowball.
2. Placing these 2 strips together to form a V in the center sew together.
3. Sew the next 2 medium orange strips to both sides of the center strip.
4. Snowball beige squares to top and bottom of dark orange strips, being careful with placement to round the outer pumpkin strips. See photo. Press and trim snowballs.
5. Sew the dark orange strips to the inner medium orange strips to complete the lower portion of the pumpkin.
6. Snow ball the 1.75 " beige squares to the green leaves, being careful to form the leaves as in the above photo. Press and trim.
7. Sew the 2.5" squares to the side of each leaf per the photo.
8. Sew the brown stem piece to the center of the two leaves. Press all steams flat.
9. Sew the top strip of leaves to the top of the pumpkin portion of the block.
10. Finished block should be 10.5" square. When blocks are pieced together with $\frac{1}{4}$ seam, they become a 10 block.
